# Green Purchasing for Existing Buildings

*a webinar series*

The image shows a screenshot of a presentation slide within a software application window. The slide has a white background with a green header bar. The main title is "Green Purchasing for Existing Buildings" in bold black text. Below the title are three images: a circular logo for the U.S. Green Building Council (USGBC) on the left, a photograph of a modern building facade in the center, and a photograph of a blue water filter on the right. The date "September 28, 2011" is centered below the images. At the bottom of the slide, the RPN logo is on the left, the website "www.ResponsiblePurchasing.org" is in the center, and another RPN logo is on the right. The software window's taskbar and menu bar are visible at the top and bottom of the screenshot.
