Industrial Painter Training

Wichita, KS

Nov. 17 or 18

Painter Training

Join us for a FREE, in-person, workshop designed to help you learn industrial painting techniques that can increase efficiency, reduce waste, and improve the air quality in your community.

The Iowa Waste Reduction Center will host two opportunities to attend. The content will be identical on each day.

Wichita, KS *1-Day Workshop*

Tue. Nov. 17, 2026 OR Wed. Nov. 18, 2026
8:30 AM - 5:00 PM (CT)

Digital Research and Transformation Hub
4701 E 18th St. N. Wichita, KS 67208

REGISTER

Lunch and light refreshments will be provided.

What You'll Learn

- Fundamentals of coating operations such as proper equipment use, application techniques, preparation, and more!
- Hands on training in a virtual paint booth.
- General application techniques that can apply to aerospace and autobody industries
