SMALL BUSINESS ENERGY WORKSHOP

WHAT

Can your business save energy and reduce operational expenses with energy-related upgrades? How can jobs be created or retained at your facility or within your city or county? Attend this free workshop to learn more about energy upgrades, the Kansas Energy Program and the USDA Rural Energy for America Program grants and guaranteed loans for energy efficiency and renewable energy projects.

WHEN

September 18, 2025
9am - 3pm (lunch provided)

WHERE

Hutchinson/Reno County Chamber of Commerce
117 N Walnut, Hutchinson, KS
Registrants will also be sent a link to attend virtually.
