

# Constructing Clean Air

A row of yellow excavators is parked in a line on a dirt lot. The excavators are viewed from a low angle, showing their hydraulic arms and buckets. The background features a bright blue sky with scattered white clouds and some green trees on the left side.

**February 5, 2009**

- Hosted by the Kansas Small Business Environmental Assistance Program
- Paid for (in part) by the Kansas Department of Health and Environment

# Why are we here?

- Diesel emissions do have an impact
